Index to Contents

The use of the Index will be greatly facilitated by remembering that articles are often listed under more than one heading. Scientific articles may be found under the name of the author and the various phases of the subject discussed as well as under the listing of Scientific Articles. Editorials and deaths are listed under the special headings as well as alphabetically.

Pages Included in Each Issue

January	1-28	July	201-244
February	29-64	August	245-292
March	65-94	September	293-330
April	95-128	October	331-366
May	129-164	November	367-406
June	165-200	December	407-442

Results With

'ANTEPAR'®*

against PINWORMS

In clinical trials, over 80% of cases have been cleared of the infection by one course of treatment with 'Antepar.'

Bumbalo, T. S., Gustina, F. J., and Oleksiak, R. E.: J. Pediat. 44:386, 1954.

White, R. H. R., and Standen, O. D.: Brit. M. J. 2:755, 1953.

against ROUNDWORMS

"Ninety per cent of the children passed all of their ascarides . . ."

Brown, H. W.: J. Pediat. 45:419, 1954.

*SYRUP OF 'ANTEPAR' Citrate brand Piperazine Citrate

Bottles of 4 fluid ounces, 1 pint and 1 gallon.

*TABLETS OF 'ANTEPAR' Citrate brand Piperazine Citrate

250 mg. or 500 mg., Scored.

Bottles of 100.

Pads of directions sheets for patients available on request.
